Subject: MUNDET MTI Environmental Management System (EMS): Certification of Conformity with ISO140001:2004 and Legal and Other/Compliance Review

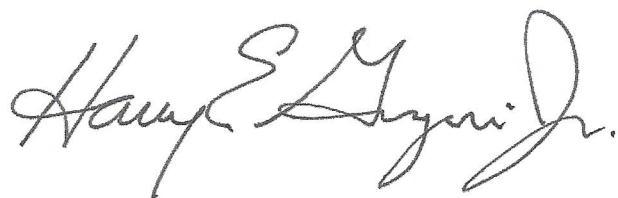

Dear M. Dupuis:

Following meetings of MUNDET INC. Senior Management Team and a review of the MUNDET INC. MTI Environmental Management System Program (MEMS), Facility Operations including a review of records and documents, and an on-site visit to MUNDET INC. – MTI (facility), located at 170 Geiger Road on May 26-28, 2015, I have determined that:

- the facility has established and is operating an environmental management system that meets the requirements of the ISO14001:2004 Environmental Management System (EMS) Standard. The EMS operating system is integrated and is compatible with the facility's operating ISO 9001 Quality Management System.
- the facility is in compliance with Legal and Other requirements for facility operations.

Please advise if you have any questions or comments.

Sincerely,

Harry E. Gregori, Jr.
